# Exercise II – EDU 7211
# Frequency Distributions and Graphs

Pg. 74 (Prob. 1 – Chapter 4, Data Set 1)

1. Construct a grouped frequency distribution which includes the following:
   a. Real Limits
   b. Class Intervals
   c. Mid point
   d. Frequency
   e. Cumulative Frequency
   f. % Cumulative Frequency
2. Create a Histogram
3. Create a frequency polygon
4. Create an Ogive
5. Do a Stem and Leaf Plot
6. How would you describe the shape of this distribution
